

SEE YA LATER RANCH

2020

LUNA WHITE BLEND

BC VQA OKANAGAN VALLEY

HARVEST

In a 2020 full of uncertainty, one thing can be certain: a banner year for See Ya Later Ranch! A wet spring delayed berry development somewhat until things took off in the summer! A very hot summer was mitigated somewhat by being so high in elevation that the few degrees difference from the valley floor allowed vines to keep producing sugars without shutting down during the hottest portions of the day. White fruit is rich and fruity and perfectly balanced. Red fruit is silky and fruity. Overall, an exquisite vintage.

WINEMAKING

Luna is a beautiful blend of aromatic white grape varieties. The different blocks were picked at various times throughout harvest. They were then fermented separately in stainless steel tanks and blended to achieve a balance expressive fruit, sweetness, and acidity.

TASTING NOTES

On the nose, you'll find intense notes of citrus, Granny Smith apples, and baking spices that follow through to the palate. A crisp wine that is best enjoyed alongside your best friends (fur friends included).

FOOD AND WINE PAIRING

Try Luna with any trendy food. We recommend Pad Thai, Mandarin Orange salad, Spicy chicken tinga tacos. Cheese: Goat's Cheese, Munster, or a nice aged Gouda.

TECHNICAL NOTES

Alcohol Volume	13%	Total Acidity	8.5 g/L
pH Level	3.1 PH	Release Date	Spring 2022
Residual Sugar	6 g/L
