

# SEE YA LATER RANCH

2021

## NELLY

BC VQA OKANAGAN VALLEY

### HARVEST

After a 2021 filled with uncertainty, one thing was for sure - a banner year for See Ya Later Ranch! A warm spring accelerated berry. A very hot summer was mitigated by the cooler temperatures of the vineyards' high elevation, allowing the vines to keep producing sugars without shutting down during the hottest portions of the day. White fruit is rich and fruity and perfectly balanced. Red fruit is silky and concentrated.

### WINEMAKING

A blend of Merlot and Malbec. Each varietal was picked at a different date and treated separately. Blended later in the year it combines vibrant fruits with refreshing acidity.

### TASTING NOTES

Our Nelly Rosé is medium pink colour with aromas and flavours of strawberry, rhubarb, cherry and a bright, citrusy finish. This acid is perfectly balanced making each sip as refreshing as the last. This Rosé is a crowd favourite for a reason

### FOOD AND WINE PAIRING

Try it with: Watermelon salad with halloumi cheese and a Nelly infused vinaigrette, roasted garlic hummus with warm pitas, or spicy sausage on a bun with grilled peppers. Also recommended on its own on a hot summer day with your crew!

### TECHNICAL NOTES

<b>Alcohol Volume</b>	13%	<b>Total Acidity</b>	7.3 g/L
<b>pH Level</b>	3.5 PH	<b>Release Date</b>	January 2022
<b>Residual Sugar</b>	5 g/L
