

SEE YA LATER RANCH

2020

POPPY RED BLEND

BC VQA OKANAGAN VALLEY

HARVEST

In a 2020 full of uncertainty, one thing can be certain: a banner year for See Ya Later Ranch! A wet spring delayed berry development somewhat until things took off in the summer! A very hot summer was mitigated somewhat by being so high in elevation that the few degrees difference from the valley floor allowed vines to keep producing sugars without shutting down during the hottest portions of the day. White fruit is rich and fruity and perfectly balanced. Red fruit is silky and fruity. Overall, an exquisite vintage.

WINEMAKING

The grapes were fermented in stainless steel tanks and were pumped over twice daily for 10 days. The wine then went through malolactic fermentation and was aged with a blend of French and American Oak for 10 months before being blended and bottled.

TASTING NOTES

Lots of bright red fruits and toasty oak on the nose, the palate has flavours of cherries, plums and some mocha spice. The tannins are soft and approachable, and the finish is clean and refreshing.

FOOD AND WINE PAIRING

This laid-back, easy drinking red is best enjoyed with friends & fur friends. Savour this wine alongside a grilled steak or even a breakfast sandwich.
